Discuss next step as it relates to the VRBO

Discuss Go-Forward Plan

The Board discussed the current status of the ongoing issue as it relates to the VRBO run by the Morash family. The posting for the VRBO has not been taken down as requested by the Board, so we need to take the next step which is to remove their privileges as long as they stay in violation of the association rules and covenants. This includes, but is not limited to, negating their claim to have a dock space for the 2020 boating season.

Action: Carolyn to send mail to the Morashes explaining that their rights have been revoked as was described in a previous notification.
